

Canvas supports the current and first previous major releases for these main browsers: Chrome, Firefox, and Safari. You should always use the most current version of your preferred browser. Your browser will notify you if there is a new version available.

	<p>To download Google Chrome browsers, go to http://www.google.com/chrome/</p>
	<p>To download Firefox browser, go to www.firefox.com</p>
	<p>To download Safari browser, go to http://www.apple.com/safari</p>

Note: Some supported browsers may still produce a banner stating Your browser does not meet the minimum requirements for Canvas. If you have upgraded your browser but you are still seeing the warning banner, try logging out of Canvas and deleting your browser cookies.

For more information on web browsers, plugins, and extensions supported by Canvas, visit their official guide.
