

Camtasia is a screen recording and video editing software that makes it easy to create videos without being an expert. It is available for both Mac and Windows operating systems. Please visit www.techsmith.com/video-editor for more information.

With Camtasia, you can:

- Screen record
- Webcam record
- Import media including images, video, text and audio
- Annotate with arrows and callouts
- Include seamless transitions, animations, visual effects and audio effects
